OUR EXPERTISES

Engineering, Consulting, and Training

GALLICE offers to provide you with specialists in safety, security, and key public sector roles.

Coming from senior government positions in European countries (particularly in the fields of defense and homeland security), all of our experts have exceptional backgrounds: in often sensitive contexts, they have all been responsible for commanding, leading, or reorganizing entities involved in safety, security, oversight, or law enforcement.

ABOUT US

Risk management is a profession.
The human factor is essential to it.

GALLICE was founded in 2007 by a group of professionals who gained their experience working in government agencies. These individuals, with their diverse backgrounds and complementary skills, form the core of our team. They are also the foundation of our credibility.
With these experts at the helm, GALLICE and its network of companies support businesses in their risk management efforts.
