

GALLICE

PROTECTION OF SENSITIVE SITES

OUR VALUES

For the benefit of its clients, GALLICE is committed to the utmost discretion, respecting the confidentiality of information and striving to offer a customized service at the best value for money. GALLICE operates in strict compliance with its rigorous code of trust.

OUR MISSIONS

ENHANCED SECURITY MEASURES

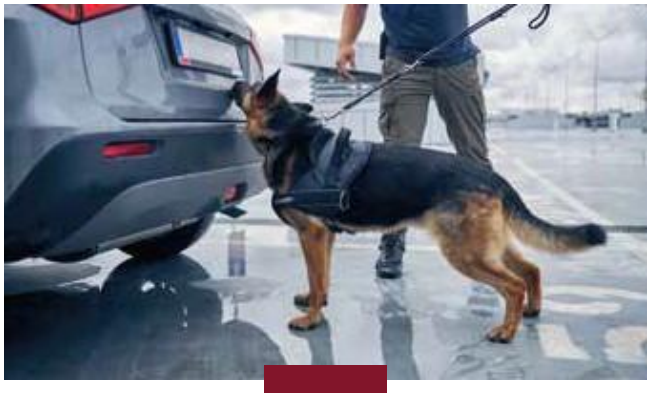

+ In France and abroad, providing security for sites and official or private events that are particularly vulnerable.
+ Design, Integration, and Management of Operational Solutions.
+ Safety Protocols
+ Depending on the threat and your needs, our security measures may include officers trained to detect risky behavior or armed officers providing enhanced security (Category B & D weapons).

RISK ASSESSMENT

+ Analysis of the client's specific security context
+ Analysis of the geopolitical, geostrategic, national, and local environments
+ Risk and threat assessment
+ Vulnerability Assessment

VULNERABILITY ASSESSMENT

+ Armoured vehicle
+ Access control, implementation of technical countermeasures
+ Electronic Security and Protection (detection of surveillance devices: microphones, cameras, software, etc.)
+ Encrypted phones and secure communication methods
+ K-9 teams (security, drug detection, explosives detection)
+ Health and First Aid Measures

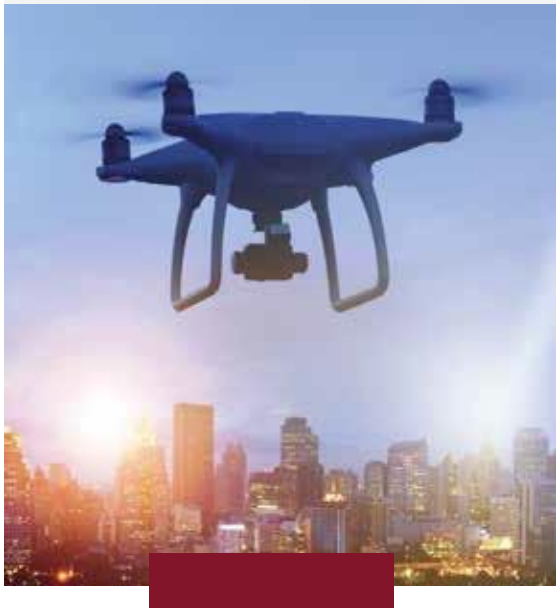

In most cases, our proactive approach means we do not need to deploy armed personnel. However, if the threat level warrants it and with your consent, we can provide armed protection (handguns).

GALLICE

OUR STRENGTHS

The teams at GALLICE have developed a high level of expertise through proven experience and in-depth knowledge of security policies.

Providing armed security for sensitive sites requires compliance with the established legal framework, rigorous self-control, and sound judgment under stress. We work primarily with experienced former government agents,both men and women, who have acquired their expertise while serving in recognized French units.

OUR EXPERTISES

Engineering, Consulting, and Training

GALLICE offers to provide you with specialists in safety, security, and senior public service roles.

Drawing from senior government positions in European countries (particularly in Defense and Homeland Security), all of our experts possess exceptional credentials: in often sensitive contexts, they have all been responsible for commanding, leading, or reorganizing entities involved in safety, security, oversight, or law enforcement.

ABOUT US

Risk management is a profession.
The human factor is essential to it.

GALLICE was founded in 2007 by a group of professionals who gained their experience working in government agencies. These individuals, with their diverse backgrounds and complementary skills, form the core of our team. They are also the foundation of our credibility. With these experts at the helm, GALLICE and all of its subsidiaries support companies in their risk management efforts.
